Skills:

- Excellent computer and tech skills
- Thrives in a team environment

Work experience:

Ring Craftsman at Rustic and Main

June 2017 – August 2018

While at this small startup company, I created new working techniques that **increased work efficiency by ~50% while still maintaining a high-quality standard.**

Freelance Cinematographer

2015 – Current

Working for myself has taught me to **manage my time and resources, plan ahead, and organization.** Filming weddings, special events, corporate events and other work, **clear communication** is very important.

Freelance Editor/Cinematographer for Barnfly Productions

2015 - 2017

I worked directly under an Emmy winning cinematographer, camera operating, editing, and color correcting ads for the web, commercials, and short films, **I really enjoy learning and working with people who are more knowledgeable than me.**

Freelance Editor for Hed Hi Media

2015 - 2017

I **enjoyed working with a team** of editors creating corporate videos, book trailers, music videos and more. **I consistently met my deadlines** and the lead editor would often come to me first when they needed to **get projects done quickly.**
